

RESEARCH SKILLS

NUMBER SKILLS

To become confident with numbers you must have the skills and methods to solve problems. You must be willing to practise your skills.

Each week:

- work through problems and number skills
- if you don't understand something ask your team
- ask them to give you more to practise.

You will see your number skills improving.

INTRIGUING PICTURES

WHAT IS GOING ON IN THIS PICTURE? Associate it with the transdisciplinary theme that you think is the most appropriate. **What do you see that makes you say that? What more can you find?** Share your thoughts with a parent or a classmate.

WELLBEING TIP

Go snorkelling to enjoy the beauty of our marine life; a good workout also.

WHAT WENT WELL THIS WEEK AND WHY?
